## Tree Canopy Fund Spring 2020

Please fill out this form to apply for trees to be planted in Spring 2020. If you are requesting multiple trees, then you must complete a separate application per tree. If you have any questions or problems, please contact EcoAction Arlington at [trees@ecoactionarlington.org](mailto:trees@ecoactionarlington.org) or 703-228-6427. The deadline for submissions is midnight on Friday, December 20.

### Full Name \*

What is the FIRST and LAST NAME of the person living at the property? (if applying for a condo, list name of main contact)

First

Last

### What is your telephone number? \*

### Email \*

At what email address would you like to be contacted?

Enter Email

Confirm Email

### Application type \*

Individual (applying on own) ▼

Note - if you select Condo/HOA, Civic association or neighborhood-based group, Place of worship, or Club, please list the name in the field below.

**What is the name of your group? (i.e. civic association, condo/HOA, place of worship, or club)**

**If you are applying for a condo/HOA, please indicate with your initials below that you understand we must receive a letter from the condo/HOA board of directors by December 20 indicating that they support this application. Letters should be emailed to trees@ecoactionarlington.org**

**Please provide the name, email, and telephone number of someone who we may contact about this tree application if you can't be reached. \***

**What is your first choice of tree species? \***

Ostrya virginiana - Eastern hophornbeam ▼

**What is your second choice of tree species? \***

Ostrya virginiana - Eastern hophornbeam ▼

**If my first or second choice of tree species is not available, I'm willing to be contacted to select another species. \***

Yes ▼

**Describe how planting this tree will meet the priorities of the Arlington County Tree Canopy Fund. \***

**Please provide the mailing address where tree will be planted. \***

Example: 5760 6th Street N. (if the tree will be planted on the grounds of a condo, please provide the closest mailing address)

**Please provide the zipcode where tree will be planted. \***

**Please provide the nearest cross street to the planting location. \***

**Please provide a detailed description of where the tree will be planted if you are facing the front door. \***

Example: If you are facing the front door, tree will go in the front yard on the left side of the property, next to the driveway, about twenty feet from the street.

**Photo of proposed planting spot \***

Please upload a photo showing the location where you'd like to plant this tree. It is extremely helpful if you take a photo with someone standing in the exact location you want the tree planted, so that it is clear that the surroundings are suitable for a canopy tree. Please rename the file as the planting location address (example: 5760N6thStreet.jpg). Click the "Browse" button below and choose the photo file from your computer.

NOTE - this photo is required with application. If you can't upload a photo, please upload a letter of explanation.

No file chosen

Accepted file types: jpg, doc, png, pdf, gif, docx, tif, jpeg, jif, pcd.

Viewport ( Width : 1349px , Height :657px )

**For larger properties (i.e. condos or clubs), please upload a map showing planting locations.**

Providing a map is optional, but it is extremely helpful for larger projects. Only one map per project is needed. Please include a key indicating which species is to be planted in each location.

Choose File No file chosen

Accepted file types: jpg, doc, png, pdf, gif, docx, tif, jpeg, jif, pcd.

**By entering my initials below, I certify that the site is ready for planting and any dead tree in the same spot was removed before March 1, 2019. \***

We require proposed tree planting locations to be tree-free for at least one year before we plant there. If you are proposing a spot that already has a tree in it, you must remove the tree, and then apply in a future cycle.
